Ladies and Gentlemen:

On behalf of our client, Genetron Holdings Limited (the “**Company**”), an exempted company incorporated under the laws of the Cayman Islands, we submit to the staff (the “**Staff**”) of Securities and Exchange Commission (the “**Commission**”) this letter in connection with the Company’s registration statement on Form F-1 initially filed on November 21, 2019 (the “**Registration Statement**”). Concurrently with the submission of this letter, the Company is filing its amendment No. 1 to the Registration Statement (the “**Amended Registration Statement**”) and certain exhibits via EDGAR with the Commission. On behalf of the Company, we wish to thank you and other members of the Staff for your prompt response to the Company’s request for comments.

To facilitate your review, we have separately delivered to you four courtesy copies of the Amended Registration Statement, marked to show changes to the Registration Statement, and two copies of the submitted exhibits.

The Company has included the financial results for the year ended December 31, 2019 and for the three months ended March 31, 2020 and other information and data in the Registration Statement to reflect recent developments.

The Company currently plans on filing an amendment to the Registration Statement containing the estimated price range and offering size on or around June 12, 2020 and launching the road show as soon as legally permissible after that, subject to market conditions. The Company would greatly appreciate the Staff's continuing assistance and support in meeting its timetable.
